

# **LEGAL NOTICE**

Notice to Offerors

**Notice First Run Date**

08/04/2022

## **SCOPE OF WORK**

The Springfield Township Fire Department, Ontario, Ohio (hereinafter referred to as “Agency or Agency’s”) is requesting sealed bid proposals for the installation of a complete exhaust system installation including the exhaust fan, control box, ductwork, track, hose, and nozzle connection must be completed. All electrical work from the panel out is included in this scope of work. Tailpipe modifications from the muffler out that are required to ensure proper system operation are to be included in the scope of the work. All duct material installed shall conform to existing Class II SMACNA Standards. An appropriate rain cap shall be provided on the building exterior on the new system. The Labor, Materials, and Demo of an existing hose reels/ductwork and electrical at both stations also to be included. The system will be turnkey once completed.

All system components shall be labeled with manufacturer identification and be standard equipment from the manufacturer.

As part of this package, a current ISO-9001-2015 certificate must be included in the bid package from the manufacturer of the system for the manufacturing of the product.

## **RECEIPT OF BIDS**

Bids will be received until 5:00 P.M. EST on 09/06/2022. The proposals shall be made on the forms provided or as indicated in the Request for Proposals. No proposal will be accepted via walk-in or hand to hand delivery. All proposals shall be sent via U.S. Postal Service, Federal Express, DHL or UPS to the following address

Attn: Fire Chief Matthew Carey  
Springfield Township Fire Department  
P.O Box 133  
Ontario, Ohio 44862

All proposals will be opened and reviewed for accuracy and compliance at the Springfield Township trustee meeting on 09/06/2022 after the deadline for receipt. The Fire Chief or his designee will make a formal recommendation to the Springfield Township Board of Trustees, followed by notification to the successful bidder.
