## Public Comment:

Cody Hickey wanted some clarification on some rumors regarding possible lay-offs if the levy does not pass. Mr. Currens informed him that there is no way to tell right now and that it is the absolute last resort option. Chief Carey voiced his opinion on the situation and reassured him that there are multiple options to look at before they would even think about any lay-offs.

Rich Metzger asked what exactly the upcoming levy is for. It will be a 3 mil levy to be able to maintain status quo and deal with any inflation. The Board is hoping to create a permanent levy.
