Chief Carey updated the Board on how his first few days as Fire Chief has been.

Mr. Orewiler received a complaint from a resident on Alta West Road who has a neighbor with a field that has not been mowed. Due to it being a field, not all of it has to be mowed.

Mr. Orewiler updated the Board on the rental property. Renters are in the process of buying a house.

The Board discussed the upcoming levy. Mr. Orewiler would like to wait another month before signing anything so that Chief Carey can have some input. Chief Carey shared his thoughts on the matter. He is okay with whatever decision is made.

Mr. Orewiler asked what Prudential Retirement is? It is a supplemental retirement account.

Mr. Gleisinger updated the Board on the joint Richland County Soil and Water Commissioners meeting regarding the MS4 program. They are not going to move forward with the storm water utility at this time.

Mr. Gleisinger updated the Board on the Road Department. They finished their first round of mowing and the seeding on the property that was damaged by the fire truck. They have also been working on cutting for asphalt repairs.

The Board signed the salt agreement with Richland County Engineers.

FO Kochheiser presented the Board with a letter from the Richland County Safety Board of Governors asking us if the township wants to become members of the Safety Board. Meetings are once a month. Administrative Asst. Gast will look into it.

Public Comment:

Craig Hunt asked if there will be a public hearing regarding the seasonal entertainment at the industrial district. Mr. Currans informed him that it was already a done deal. It is dealt with by the Zoning Board and the Trustees are informed of the results.
