Station #1 is having problems with its alarm system. Captain Mullins is getting quotes to figure out what is going on and to get it fixed.

The storm that came through last week did some damage to the Station #2 roof. Chief is looking at turning it into our insurance to get that section fixed. He is still getting quotes to have the entire roof replaced.

Chief Carey presented the Board with a proposal for Lexipol. The Ohio Plan will pay 50% of it the 1st year, 30% the 2nd year, and 20% the 3rd year. Chief is hoping to have an updated contract with the Ohio Plans discounts at the next meeting.

Chief Carey updated the Board on the AMB contract. The Board discussed some negotiating points to possibly lower the fees that are involved with canceling our contract.

Chief Carey updated the Board on the upcoming Ontario BOOM Festival. He presented a map of what the festival will look like.

Chief Carey updated the Board on the protest that took place last week. The fire department worked with Ontario PD and everything went smoothly.

Chief Carey presented the Board with a RFP proposal regarding fire/EMS coverage in Sandusky Township. The Board had a lot of questions that Chief was able to answer.

Trustee Rose addresses the fact that our Employee Assistance Program does not address mental health issues for first responders. She would like us to look into other programs.

Resolution #91-20: Trustee Orewiler moved to adopt a resolution for the Coronavirus Aid, Relief, and Economic Security Act pursuant to House Bill 481, seconded by Trustee Rose, and upon a roll call vote all members voted as followed:

Trustee Gleisinger updated the Board on some more information on what needs to be done to put up some more "No Engine Break" signs.

ODOT will provide signs to identify township lines.

Trustee Gleisinger received a complaint regarding obnoxious weeds on a neighboring property. The weeds have been sprayed.

Trustee Gleisinger brought up some issues regarding safety measures for the road department when picking up leaves.

The Board signed the May Management Reports.

Public Comment:

Craig Hunt had questions about some businesses in the township that are on properties zoned residential. A letter is being going out tomorrow to one of the business owners. He would also like the road department to keep records on how much our guys help out working in Sandusky Township.

Chief Carey addressed some issues that the fire department has encountered taking calls in the City of Mansfield.
